# Introduction

Getting in shape takes a positive attitude and determination. The right equipment makes achieving your fitness goals easier, so congratulations on your purchase of the Harbinger® Ab Carver® Pro. The Harbinger Ab Carver Pro is key to an effective, time-efficient exercise regimen. No matter your fitness level, you can progress at a rate that's right for you using Harbinger Fitness products.

Sticking with a program of regular exercise takes persistence. We encourage you to go to **HarbingerFitness.com** to find out about new products, get workout tips and view workout videos.

Like us on Facebook at **facebook.com/harbingerfitness** - it's a great place to share your progress. Follow us on Instagram **@HarbingerFitness**. Many of our top users have created their own exercise routines using our products and use hashtag **#HarbingerFitness**.

## **IMPORTANT:**

**This User Guide is the authoritative source of information about your Harbinger Ab Carver Pro. Please read it carefully and follow all the instructions.**

# Important Safety Information

## ⚠️ WARNING

FAILURE TO READ AND FOLLOW THE SAFETY INSTRUCTIONS STATED IN THIS USER GUIDE MAY RESULT IN POSSIBLE SERIOUS INJURY OR DEATH.

1) **BEFORE EACH use, visually inspect the equipment. NEVER use this equipment if it is not working properly or if there are damaged or worn parts.** Call our Customer Service Department with any questions.

2) **CONSULT your physician before starting this or any other exercise program.**

Fitness training can result in **SERIOUS INJURY OR DEATH**. Risk of injury can be lessened when safe techniques and common sense are practiced. **Before beginning your first workout, become familiar with the Harbinger® Ab Carver® Pro and review all exercise guidelines prior to using the equipment.** Your physician should assist you in determining the target heart rate zone appropriate for your age and physical condition. Certain exercise programs or types of equipment may not be appropriate for all people. This is especially important for people over the age of 35, pregnant women, or those with preexisting health problems or wrist, elbow, shoulder or other joint and/or muscle impairments. **If you are taking medication that may affect your heart rate, a physician's advice is essential before use of this equipment.**

3) **DO NOT** use if you are over 300 lbs/136 kg

4) **USE on a non-skid surface ONLY. DO NOT use on surfaces such as tile, linoleum or on surfaces that are wet such as a pool deck. DO NOT sit on product.**

5) **DO NOT overexert yourself with this or any other exercise program.** Listen to your body and respond to any reactions you may be having. You must learn to distinguish "good" pain, like fatigue, from "bad" pain, which hurts. **IF** you experience any pain or tightness in your chest, an irregular heartbeat, dizziness, nausea or shortness

of breath, **STOP** exercising at once and consult your physician immediately.

6) **IT IS strongly suggested that handicapped or disabled people have medical approval** before using this equipment and should be under close supervision when using any exercise equipment.

7) **WARM UP** before any exercise program by doing 5 to 10 minutes of gentle aerobic exercise, such as walking, followed by stretching.

8) **START OUT slowly and progress sensibly.** Even if you are an experienced exerciser, start with the easier modifications of the exercises and become familiar with all of the exercises before moving on to more advanced modifications.

9) **BREATHE naturally**, never holding your breath during an exercise. Avoid over training, you should be able to carry on a conversation while exercising.

10) **USE this equipment ONLY for the intended use as described by the manufacturer. DO NOT** modify the equipment or use attachments not recommended by the manufacturer.

11) **HAVE plenty of clearance space.** It is important to keep children, pets, furniture and other objects out of the way when using your equipment. You should have a minimum of 3 feet of clearance space to avoid unnecessary physical contact.

12) **WEAR appropriate clothing when exercising.** Clothing should be comfortable and lightweight, and should allow freedom of movement. Wear comfortable athletic shoes made of good support with non-slip soles, such as running or aerobic shoes.

# Equipment Warning Label

**IMPORTANT:** See below for placement of this Warning Label on your equipment.

## ⚠ WARNING

Failure to read and follow the safety instructions stated in the Owner's Manual may result in **SERIOUS INJURY OR DEATH. KEEP CHILDREN AWAY. DO NOT** use if you weigh over 300 lbs/136 kg. Use on non-skid surface only. Replace this label if damaged, illegible or removed. Class HC. Go to our website: [HarbingerFitness.com](http://HarbingerFitness.com) or call Customer Service: 1-800-729-5954 for replacement label, manual or questions.

**Approximate:**

**Length:** 15-1/5"    **Depth:** 7-3/4"    **Height:** 7-3/4"

**Product Weight:** Approx: 4.5 lbs    **Maximum User Weight:** 300 lbs

Optional Knee Pad

# Assembly

To assemble your Harbinger® Ab Carver® Pro please follow the instructions below.

To insert the Left Handle into the Base, match the "L" handle with the hole in the base labeled, "LEFT HANDLE". Be sure to line up the Pop Pin on the Handle to the Hole in the Base.

Note the Pop Pin on the Handle.

Press in on the Pop Pin and insert the Handle. Make sure the Pop Pin is locked in place. The Pop Pin should pop out through the Hole on the Base. Repeat with other Handle.

Turn your Harbinger Ab Carver Pro over and you are ready for your workout.

It is important you roll the unit forward only once your hands are placed properly on the left and right handles, otherwise you will damage the unit.

## Warning

Before each use, visually inspect the device. Never use the device if it is not working properly.

## Care and Storage

The Harbinger® Ab Carver® Pro has been carefully designed to require minimum maintenance. Before each use, visually inspect the device. Never use the device if it is not working properly.

**CARE Instructions:** Remove the Handles and wipe down with a clean damp cloth.

**STORAGE:** Store your unit out of the reach of children.

**DO NOT** store in direct sunlight or near direct heat sources.

## Workouts

Go to [HarbingerFitness.com](http://HarbingerFitness.com) to download free workout guides. The downloadable content concentrates on three key aspects of fitness: Core, Push, and Pull. When combined, the Harbinger products and programs create the perfect full body workout solution.
